Correction of the Variation Notice of 4 April 2019

The Variation Notice signed on 4 April 2019 contains an error where condition 21C is described as new, whereas it should have been described as being deleted and the new 21C substituted.

The Variation Notice incorrectly states:

The variation is:

Delete conditions 1, 2, 3, 4, 5, 6, 15, 17, 21, 21A and 21B attached to the approval and substitute with the conditions specified in table below;

Add new conditions 21C, 21D and 21E specified in the table below;

Delete definitions of Commence/Commenced/Commencement and Shapefiles attached to the approval and substitute with the definition specified in the table below;

Add new definitions of Business Day, Construction, Hollow bearing tree, Known and potential Superb Parrot nest trees and New or increased impact, specified in the table below; and

Delete Annexures B, C and D and substitute with the annexures specified in the table and attached below.

The Variation Notice should correctly state:

The variation is:

Delete conditions 1, 2, 3, 4, 5, 6, 15, 17, 21, 21A, 21B and 21C attached to the approval and substitute with the conditions specified in table below;

Add new conditions 21D and 21E specified in the table below;

Delete definitions of Commence/Commenced/Commencement and Shapefiles attached to the approval and substitute with the definition specified in the table below;

Add new definitions of Business Day, Construction, Hollow bearing tree, Known and potential Superb Parrot nest trees and New or increased impact, specified in the table below; and

Delete Annexures B, C and D and substitute with the annexures specified in the table and attached below.
